SPECIAL DISPATCHES TO PROSPECTOR.

One Good Indian.

BENSON, A. T., July 21.—From Gen. Nelson A. Miles, who passed through here yesterday, a PROSPECTOR reporter learned that the troops under command of Lieut. Mickey had an engagement with eight Apaches in the Sierra Anchas mountains on Saturday. One was killed, two were wounded and two were captured. The remaining three escaped, with troops in hot pursuit. The Apaches are supposed to be Kid and his band.

Chicago Ahead of Philadelphia

WASHINGTON, July 21.—Superintendent Porter to-day received a message from the census supervisor at Chicago stating that his count makes that city's population 1,101,263. This puts Chicago ahead of Philadelphia. This is not the official count, but as it was carefully made it is believed that it differs very little from the official count.

The Bullet.

DALLAS, TEX., July 21.—Late on Saturday Lester Payne shot and seriously wounded his brother-in-law, Will Estes. The trouble grew out of the famous "baby Payne" case. The wounded man is resting easily to-day and the wound is not necessarily a fatal one.

Cholera in Kansas.

ATCHISON, KAN., July 21.—A case of cholera occurred in this city yesterday. The victim was Mrs. W. R. Bishop, wife of a well-known citizen. She died within twenty-four hours. Two prominent physicians pronounce the case to be undoubtedly Asiatic cholera.

Seized.

CHICAGO, July 21.—The United States authorities this afternoon seized 253 barrels of naphtha belonging to the Genessee Oil Co., of Buffalo, shipped here on the steamer Tioga. The seizure was made because of a violation of the law regarding the shipment of fluid by steamer.

TERRITORIAL TOPICS.

The Chinese population on the Mexican side of the town is increasing at a rapid rate.—[Nogales Herald.]

A man at Tombstone talks of starting a first-class restaurant in Nogales. Those Tombstone caterers know how to run a restaurant.—[Nogales Herald.]

They are not making much noise about it, but the management of the Sonora and N. M. and A. road are diverting a good deal of Mexican trade from Europe to the United States. In this way Superintendent Richards and General Freight Agent Naugle are doing a good deal of valuable work that there is not much being said about.—[Nogales Herald.]

CAMPAIGN STRAWS.

A meeting of the Democratic committee of Pima county is called for the 23d inst. at 7 p. m., at Tucson, through the columns of the Star.

A Nogales Conundrum.

At a recent raffle in Nogales, says the Herald, the heading of the list read as follows: "First prize, the elegant large diamond ring, for the highest number thrown. Second prize, the fine gold watch, for the second highest number thrown. Third prize, the smaller diamond ring, for the lowest number thrown."

In the raffle two men tied on 43 and one man threw 42. Some claim that the tie must be shaken off and that the one who loses fails to get either prize unless he ties the man with 42 and subsequently beats him in shaking off the tie. Others claim that the two men who threw 43 are entitled to first and second prizes and that they have the right to decide between themselves which shall take first and which shall take second prizes.

The case has been referred to the Spirit of the Times and Police Gazette, and much money is said to be wagered on the result, both there and at Harshaw.

This is a popular plan of introducing a popular publication. Every one sending a list of

The Diamond.

The Gazette circulates the story that the Phenix club have accepted the Tucson's invitation to play in that city and that while there arrangements will be made for a game to be played at the territorial fair for a purse of \$500.

Collector Christ Arrives.

Hon. George Christ, collector of customs for the new district of Arizona, arrived here Friday afternoon and was warmly greeted by his numerous friends in Nogales. He was especially cordially welcomed by our people for the reason that during his absence he has done the town a service that will be of lasting benefit. Mr. Christ took charge of the office in this city yesterday, but he informs the Herald that the formal opening of business for the new district of Arizona will not occur until the 1st of the month, an understanding to that effect having been decided upon by himself and Collector Clark of the El Paso district. Therefore the old force will remain in the service and all reports will be made to Collector Clark until August 1st. He has not as yet decided definitely upon any changes, but there will no doubt be some.—[Nogales Herald.]

"Ears Polite."

Some Mexicans hardly ever buy a money purse, and carry their small change either tied in the corner of a handkerchief or stuck in their ears. Now this may sound strange, but nevertheless is true. Yesterday the reporter met one of these Mexicans in the street with whom he was acquainted and asked him how much money he carried in his ears. The Mexican condescended to satisfy his curiosity and began to empty his auricles of their contents in the presence of all bystanders, and how much money would the reader guess he had? The money was counted and he had just \$1.25, all in ten cent pieces and nickels. This is true, and no exaggeration, and there are a dozen persons who saw and counted the money.—[Star.]
